

# CAPABILITY STATEMENT

## COMPANY OVERVIEW

Nalu Federal, LLC is a certified 8(a) Native Hawaiian Organization (NHO)-owned Small Disadvantaged Business (SDB). We specialize in delivering high-quality, end-to-end logistics, supply chain, financial management, and technical services to federal agencies and the Department of Defense (DoD) both domestically (CONUS) and internationally (OCONUS). Nalu Federal provides tailored solutions that enhance operational efficiency, streamline processes, and ensure compliance with government regulations.

As a subsidiary of the Kanaka Foundation, a 501(c)(3) non-profit dedicated to advancing social and economic opportunities for Native Hawaiians, Nalu Federal blends mission-driven solutions with a commitment to quality. "Ride the Wave"

## CORE COMPETENCIES

### Enterprise IT Support Services

- Full lifecycle ITSM and help desk operations (Tier 1-3)
- Configuration management, IT asset management, and ServiceNow integration
- Software development, systems integration, and COTS implementation
- Cloud infrastructure, network engineering, and cybersecurity operations

### Advanced Cyber Infrastructure & Training Support

- Support for Live, Virtual, and Constructive (LVC) training environments
- Tactical mission simulation, C5ISR systems support, and mission analysis
- Cyber operations planning and secure network engineering

### Medical Administration & Data Analysis Services

- Support for clinical operations and readiness programs
- Data integration, case management, and non-clinical adjudication
- Medical records analysis, training support, and workflow optimization

### Foreign Military Sales (FMS) & Logistics Support

- Case tracking, financial analytics, and procurement support
- Supply chain reporting and sustainment lifecycle analysis
- Use of government FMS systems (e.g., DSAMS, LMP, GFEBS, CISIL)

### Facilities & Custodial Support Services

- Facility management, systems furniture installation, and warehousing
- Custodial services in secure (TS/SCI) environments with surge capabilities
- Mailroom, shipping, and infrastructure support for federal installations

### Program & Project Management

- PMO development using PMI and Lean Six Sigma standards
- Enterprise program oversight, schedule management, and risk mitigation
- Quality control planning, reporting, and contract transition management

### Environmental and BRAC Technical Support

- Technical oversight of land use controls, environmental compliance, and security
- Support for GIS systems, databases, and community outreach reporting
- CERCLA program support and document control services

### Education and Training Program Support

- Graduate medical education coordination and accreditation compliance
- Administrative assistance, recordkeeping, and file management
- Scheduling, reporting, and credentialing support for military training programs

## OUR ADVANTAGE

Working with Nalu Federal offers several strategic advantages for government agencies. As a Native Hawaiian Organization (NHO)-owned, SBA-certified 8(a) small disadvantaged business, Nalu Federal can receive sole-source contracts up to \$100 million without the risk of protests. This provides a unique advantage, significantly shortening procurement cycles by up to 120 days, reducing both cost and administrative burden, while allowing projects to begin more quickly. Furthermore, Nalu Federal's contracts are immune from protest challenges, eliminating delays and uncertainties commonly associated with the competitive bidding process.

### NHO 8(a) PROGRAM ADVANTAGE

- NHO 8(a) Sole Source Award guidance in 13CFR124.506(b)(2) and 13CFR124.517(a) allows Nalu Federal the unique ability to receive direct awards that cannot be protested because of our NHO 8(a) status.
- Authorized for direct awards up to \$100M without Justification and Approval per Section 823 of the 2020 National Defense Authorization Act (NDAA) 2020.

## KANAKA FOUNDATION

The Kanaka Foundation is a non-profit organization focused on supporting Native Hawaiian communities, especially in STEM education. Its mission is to inspire Native Hawaiians to engage with the sciences, fostering a lifelong passion and uncovering each individual's potential. As part of the Small Business Administration (SBA) 8(a) program, the foundation channels its profits to uplift Native Hawaiian communities through educational and other charitable initiatives.
